Dear Applicant

IRAS Project ID: 1004870

Thank you for updating the projected end date of your clinical trial. This change requires no further regulatory review. Please now share this updated date with your UK research sites.

For studies involving NHS/HSC sites please complete an amendment tool and share this alongside the updated date.

For studies involving Scottish or Northern Irish NHS/HSC sites please forward the amendment tool to amendments@hra.nhs.uk so it can be shared with the R&D offices of any NHS/HSC research sites in Scotland and Northern Ireland.

For all NHS research sites in England and Wales, please now share this amendment tool by email directly with those sites, including both the R&D offices and research teams.

Do not reply to this email as this is an unmonitored address and replies to this email cannot be responded to or read.

Best regards
