Save the date!

Our next PhEAST Investigator Meeting is scheduled for:
Friday 9th September 12.30 - 13.30

If you have not received the MS-Teams link please contact the trial team.

This is a great opportunity to discuss best practice and have an open discussion with other sites and the trial team.

We look forward to seeing you there!

Amendments:

SA/02/22 - Approved 28/07/2022

This amendment is the addition of the cognition sub-study into the PhEAST protocol.

Please ensure you are using all of the new patient facing documents and have downloaded the new CRFs from redcap.
