Useful documents: <https://stroke.nottingham.ac.uk/tich-3/docs/>

RECRUITMENT UPDATE

UK Running total: **152**

TICH-3 has reached 150 participants! Thank you so much to everyone that has helped us to recruit over 50 participants in 2023!

Special mention to:

Kent and Canterbury Hospital who have recruited their first 3 participants in February

Royal London Hospital who have recruited 3 participants in February

Royal Derby Hospital for recruiting 10 participants within 5 months of being open

WE HAVE GONE INTERNATIONAL!

We now have 7 International recruits

SA_04_22 - ENROLLING PATIENTS ON DOACS

Following approval of SA_04, patients with ICH taking Direct Oral Anticoagulants (DOAC) are now eligible for inclusion to the TICH-3 trial. Please note that TICH-3 IMP may be given in ADDITION to standard of care eg. Idarucizumab or PCC.

However, if your **local guidelines** recommend giving TXA for DOAC related ICH or you enrol patients into ANNEXA-4 then recruitment into TICH-3 is NOT permitted.

TICH-3 Recruitment permitted

Idarucizumab

Prothrombin Complex Concentrate

TICH-3 Recruitment not permitted

Enrolment into ANNEXA-4 (Andexanet Alpha)

Local guidelines recommend TXA for DOAC ICH

TICH-3 treatment and DOAC reversal can occur concurrently but please administer in separate IV lines.

Please record which reversal agent was given as standard of care on the day 7 eCRF.

EMERGENCY NUMBERS

FOR ELIGIBILITY QUERIES PLEASE CALL THE TICH-3 EMERGENCY PHONE NUMBERS

+44 (0)7725 580 092 +44 (0)7736 843 592
+44 (0)7798 670 726 +44 (0)7810 540 604

A polite reminder that when ringing the emergency TICH-3 numbers:

If the call isn't immediately accepted, **please could you still leave your name and telephone number in a voicemail.**

The emergency contacts are available but they may miss the initial call.

Missed calls from a trust telephone number will often just connect to a generic message to say that we have been contacted by that trust without providing a direct line.

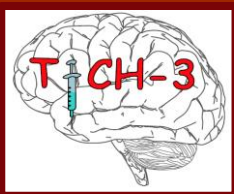

Thank you!

The TICH-3 trial would not be possible without the support of our investigators, thank you to everyone that has recently joined us:

Ninewells Hospital
Lincoln County Hospital

Thanks to all our sites that have recruited in February:

Aberdeen Royal Infirmary
Addenbrooke's Hospital
Arrowe Park Hospital
Bradford Royal Infirmary
Charing Cross, London
Countess of Chester
Craigavon Area Hospital
Leicester Royal Infirmary
New Cross Hospital
Northwick Park
Queen's Medical Centre
Royal Infirmary of Edinburgh
Royal Derby Hospital
Royal Stoke University Hospital
Royal Victoria Infirmary, Newcastle
Salford Royal
St George's, London
Sunderland Royal
University Hospital of Monklands
University Hospital of North Durham
Watford General Hospital
York Hospital

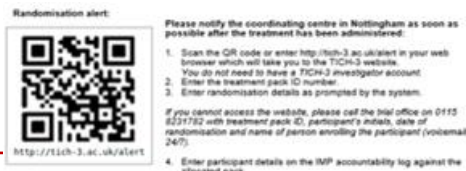

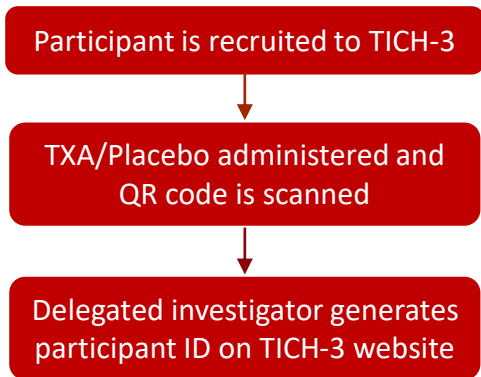

Thank you to all of our continuing sites. TICH-3 would not be possible without you!

WE NEED YOUR SUPPORT

We are currently recruiting hyperacute stroke units and investigators in the UK.

PLEASE JOIN US!

RECRUITMENT ALERT

The recruitment alert can be completed by the member of staff administering the IMP. It does not need to be a TICH-3 investigator.

Please complete the alert at the point of administration to alert us that a participant is receiving treatment.

SWAT MEETING

If your site has been notified that you are using enhanced consent (use of the SWAT video), you are invited to attend

SWAT meeting - Monday 6th March 12:30 - 13:30.

Please check your inbox for the teams invite, we hope to cover best practice in the use of the SWAT video and to also update you on changes to the eCRF data collection.

DATA CORRECTION GUIDANCE

A guidance document providing additional help regarding data corrections will be available on the documents page.

If you do have any particular queries please do still get in touch either via email tich-3@nottingham.ac.uk or the office telephone number 0115 823 1782

KEEPING IN TOUCH AND INVESTIGATOR MEETINGS

We would like to invite you all to join the TICH-3 trial team:
Tuesday 21st March 2023 12:30 – 13:30 [Click here to join the meeting](#)

Invitations will also have been sent to your email address so look out for these! If you have any particular points you would like to discuss, please email the team and we will add them to the meeting.

You can find us on Twitter: **@tich3trial** and **@UoN_STU**
 Please feel free to tweet us or tag us in your Stroke related tweets

Conferences coming up:
 ESOC 2023, Munich (24-26 May 2023)
 World Stroke Congress, Toronto (10-12 October 2023)
 UK Stroke Forum, Birmingham (4-6 December 2023)
