

University of Tranexamic acid for IntraCerebral Nottingham UK | CHINA | MALAYSIA Haemorrhage 3 (TICH-3)

Inclusion

Adults (\geq 18 years) within 4.5 h of onset of acute spontaneous ICH (confirmed on brain imaging). It is not necessary to exclude underlying vascular lesions (e.g. aneurysms) - but if they are known that is not 'spontaneous' ICH so participant should not be included. Patients with amyloid angiopathy can be included.

Exclusion

- Known indication for TXA treatment (e.g. traumatic brain injury).
- Known contra-indication for TXA treatment (e.g. seizures or known active venous thromboembolism).
- Patient known to be taking therapeutic anticoagulation with warfarin or low molecular weight heparin at time of enrolment. Patients taking direct oral anticoagulants can be included and are not excluded.
- Massive ICH (usually when haematoma volume >60ml). Estimated HV using automated software, ABC/2 calculation, or simple measurement of largest haemotoma diameter – if no volume exclude if greater than 5cm diameter
- Severe coma, Glasgow Coma Scale <5.
- Decision for palliative (end of life) care.

Trained staff on TICH-3 delegation log available Verbal consent obtained by trained staff on TICH-3 delegation log (code J)

No trained staff on delegation log, that can take enrolment consent, available

Clinical team use eligibility checklist and enrolment form Open next lowest numbered treatment pack to randomise.

Prescribe and administer trial treatment.

QR code recruitment alert.

Document in medical notes eligibility and consent process.

When research team next on site

Follow on written consent obtained by trained staff on TICH-3 delegation log (code Z) Add participant to TICH-3

Add a new participant

Upload consent form to secure vault.

Collect contact details and add to secure vault.

Begin eCRF data collection.

Assessing eligibility

Can be completed by any clinician they do not need to be on the TICH-3 delegation log.

Delegation log

- 1. Complete TICH-3 training available on https://stroke.nottingham.ac.uk/tich-3/docs/
- 2. Complete self-referral form

https://stroke.nottingham.ac.uk/sif/live/sif training self-referral.php?sid=TICH-3
